

The Buzz - Spring/Summer 2018

HIGH PRESSURE LOW EFFORT

NEW

RB 200 Petrol High-Pressure Cleaner

Make light of cleaning jobs around the house with the zero fuss RB 200.

Its powerful 173cc, 3.7kW engine delivers 2,500 psi of water pressure – powerful enough to tackle tough cleaning jobs on paths, driveways, decks and more. This High-Pressure Cleaner features an easy start pump system, avoiding the need for hard pulls. It also comes standard with a detergent injector system and detergent nozzle accessory, for efficient cleaning. And with its 7.5m no-kink flex hose, you can clean more without having to move the machine. Finally, the RB 200 High-Pressure Cleaner uses a wide range of cleaning accessories for maximum utility.

			
Engine	Max Water Throughput	Output	Power
173cc	8.6 l/min	2500 psi	3.7kW

Features

- > Low pressure detergent siphon
- > Stainless steel valves and pistons
- > Aluminium pump manifold
- > Powerful and efficient Kohler engine
- > Fold down handle design
- > 7.5m high-pressure hose with M22 screw connectors

Availability: **NOW**

Part No: 7004 200 0015

DIRT BOSS

NEW

RB 400 Petrol High-Pressure Cleaner

When you need a High-Pressure Cleaner that delivers top performance and can stand up to daily use, choose the STIHL RB 400 Dirt Boss.

Featuring a powerful 196cc 4.8kW engine that can produce 2,700 psi of water pressure at 10.3L per minute, the RB 400 features the durability STIHL products are known for, with a brass manifold pump design, stainless steel valves and ceramic-coated pistons. There is also a built-in shutdown feature for when the oil level is low. The RB 400 also features an easy start pump system and convenient detergent siphon system and with its 7.5m no-kink flex hose, you can clean more without having to move the machine.

Engine

196cc

Max Water Throughput

10.3 l/min

Output

2700 psi

Power

4.8kW

Features

- > Brass manifold pump
- > Ceramic coated pistons
- > 4.8kW 196cc engine
- > Integrated fuel shut off valves with on / off switch
- > Hose length of 7.5m
- > 32mm powder coated steel tube frame with fold down handle

CLEAN UP FAST

NEW

RB 600 Petrol High-Pressure Cleaner

Powerful High-Pressure Cleaner to tackle your professional cleaning jobs.

Whether it's greasy farm equipment, cleaning out mucky stables, or making your dirty ute sparkle again, the STIHL RB 600 is ready to rock. It features 3,200 psi of water pressure and 208cc engine. The commercial components such as ceramic coated pistons and brass pump manifold add to its durability. Plus, with the easy start pump system you can start this High-Pressure Cleaner without difficulty or back pressure from the pump. The RB 600 is designed for handling heavy-duty projects with ease and it also works with a full range of optional accessories, including surface cleaners, hose extensions, nozzles and more.

			
Engine	Max Water Throughput	Output	Power
208cc	11.3 l/min	3200 psi	5.2kW

Features

- > Adjustable pressure regulator
- > Brass pump manifold
- > Fold down handle design
- > Ceramic coated pistons
- > 12m steel braided hose
- > Integrated fuel shut off valves with on / off switch

PROFESSIONAL POWER

NEW

RB 800 Petrol High-Pressure Cleaner

The STIHL RB 800 High-Pressure Cleaner delivers professional power and performance for extensive use.

Designed for heavy duty commercial use the RB 800 is the most powerful High-Pressure Cleaner in the STIHL line up. With 4,200 psi of water pressure and 429cc engine, the RB 800 cleans up the dirtiest jobs with ease. Its industrial design is made to withstand heavy daily use. Plus, with the easy start pump system, you can start this High-Pressure Cleaner without difficulty or back pressure from the pump. This professional High-Pressure Cleaner is designed for convenience, durability and can be customised with a full range of optional accessories.

			
Engine	Max Water Throughput	Output	Power
429cc	15.1 l/min	4200 psi	10.5kW

Features

- > Adjustable pressure regulator
- > Brass manifold pump
- > Low oil shutdown
- > Ceramic pistons
- > 15m double steel braided hose
- > Integrated fuel shut off valves with on / off switch

Petrol High-Pressure Cleaner Benefits

On board nozzle storage

STIHL ergonomic reverse pull trigger gun for comfortable operation

Fold down handles for storage and additional impact protection

RB hoses are ultra-flexible, kink resistant and easy to coil

Trigger lock to prevent accidental operation

Tough 32mm powder coated steel tube frames. RB 400, RB 600 & RB 800 include integrated roll cage design.

Easy start pump feature

Integrated fuel shut off valve with on / off switch to prevent fuel getting into the engine during transport (except RB 200)

2-piece lance and gun assembly

Brass pump manifold and cast iron cylinder liner for durability and long lasting performance (RB 400, RB 600 & RB 800)

Tough pneumatic tyres with tube & steel rims (RB 400, RB 600 & RB 800)

Easy access inlet and outlet water connections

Automatic fuel shut-off valve

Anti-vibration system

Stainless steel high pressure nozzles and brass detergent nozzles

Petrol High-Pressure Cleaner Accessories

Petrol High-Pressure Cleaner Accessories

Multi Nozzle

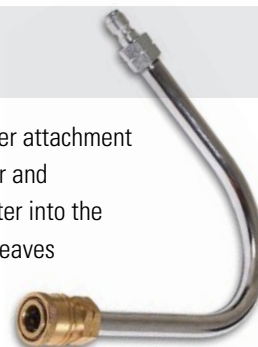

- > 6 nozzles in 1 - spin the nozzle to the desired pattern
 - 4 high pressure nozzles in assorted patterns
 - 1 detergent nozzle
 - 1 rinse nozzle
- > Fits all current models

Part No: 4900 502 1022

Gutter Cleaner

- > Standard nozzle is moved to gutter attachment
- > Reach over the edge of the gutter and carefully spray high pressure water into the gutter removing dirt, debris and leaves
- > Fits all current models

Part No: 4789 007 1008

Rotary Surface Cleaner

- > 350mm surface cleaner is for cleaning large flat areas
 - Sidewalks and driveways
- > Surface cleaner floats along the surface giving a consistent even pattern
- > Surface cleaner significantly reduces cleaning time
- > Fits all current models

Part No: 4900 500 3904

Long Range Detergent Nozzle

- > Used to apply detergent to out of reach areas
 - Tall buildings, second story of house etc.
- > Can also be used as a rinsing nozzle
- > Fits all current models

Part No: 4900 502 1023

Power Broom

- > Water broom is for cleaning flat surfaces of dirt and debris
- > Water flows forward
- > Easy to maneuver with large caster wheels
- > Great cleanup tool after using surface cleaner
- > Fits all current models

Part No: 4789 500 3900

Lance Tip - Quick Coupler

- > Quick coupler at the end of the spray lance is available as an accessory
- > Fits all current models

Part No: 4900 500 6704

Pivot Coupler

- > To tackle dirt in those hard to reach spots
- > Compatible with all spray nozzles

Part No: 4789 500 6700

Extension Lance

- > 1.22m spray lance for high level work and for use in conjunction with the gutter cleaner attachment

Part No: 4915 500 0300

Rotating Nozzle

- > A rotary nozzle automatically spins a zero degree spray in a 10-20cm circle at 3,000 rotations per minute
- > Spinning water jet hits the surface area from multiple angles, quickly breaking down caked-on dirt and grime
- > Rotary nozzles can cut cleaning time in half

Part No: 4900 500 1646

COMPLETE CONTROL

NEW

RMA 339 Battery Lawn Mower

Being lightweight, cordless battery powered and easy to handle make the RMA 339 the perfect solution for homes with small to medium lawns.

The innovative STIHL COMPACT battery system runs off powerful Lithium-Ion cells. The STIHL AK COMPACT Lithium-Ion batteries are interchangeable with the 7 other tools in the range with more exciting options coming soon! For optimal mowing coverage activate the ECO mode which automatically adapts the motor speed to the required power. The flow-optimised blade also increases the energy efficiency. This saves valuable battery capacity and increases the coverage. The optional mulching kit adds convenience to mowing whilst putting nutrients back into the lawn.

Cutting Width	Cutting Height	Catcher Size	Lawn Size	Weight
37cm/14.5"	20-70mm	40L	Up to 400m ² On a single charge	14kg

MOWING RANGES

BATTERY	RANGE
AK 20	up to 300m ²
AK 30	up to 400m ²

Available to purchase as a kit with AK 30 Battery and AL 101 charger.

Features

- > Tough polymer housing
- > Direct drive motor
- > Flow optimised blades
- > ECO mode for greater efficiency
- > Folds for easy storage
- > Includes carrying handle

Part No Kit: 6320 011 1445

POWERFUL & ADAPTABLE

NEW

RMA 443 C Battery Lawn Mower

If you have high expectations for your machines, then the new STIHL RMA 443 C is made for you.

Equipped with the powerful STIHL PRO battery system, the lawn mower is suitable for medium-sized gardens. The energy-saving ECO mode also has a positive effect on the machine's operation time during mowing, collecting and mulching (optionally retrofittable). The flow-optimised blade also consumes little energy since it generates minimal air resistance when cutting. The battery-powered Lawn Mower can be easily adjusted to the desired level in several stages during use thanks to the central cutting height adjustment.

 Cutting Width	 Cutting Height	 Catcher Size	 Lawn Size	 Weight
41cm/16.1"	25-75mm	55L	Up to 500m ² On a single charge	21kg

Features

- > Tough polymer housing
- > Direct drive motor
- > Flow optimised blades
- > ECO mode for greater efficiency
- > Mono comfort handlebar
- > Folds for easy storage

Availability: **NOW**

How to order:
Order online through Global B2B from.
Part No: 6338 011 1412
Mulching Kit: 6909 007 1032

RMA 339 and RMA 443 C Battery Lawn Mower Benefits

Mulching kit retrofittable as an additional purchase

- Feed nutrients back into the lawn, improving lawn health and drought tolerance
- No need to deal with grass clippings anymore!

Engine stop lever mounted on both sides of handlebar

Centrally located handles for easy carrying

Folding handle for convenient storage

Polymer Grass Catcher

- Tough construction
- Level indicator to know when to empty
- Down ward facing exit vents to reduce dust for operator
- Opens for easy emptying of clippings

Tough impact resistant polymer deck and housing

- High UV tolerance
- Light weight
- Durable and tough

Safety key to prevent accidental starting

Easy to operate cutting height adjustment with 6 height settings

- Optimum cutting height for grass variety and season.
- Spring assisted for adjustment with ease

Blade

- Flow-optimised, high efficiency
- Easy blade installation
- Pre defined bending zone (less shaft damage if impacting solid objects, reducing cost of repair)

Tough Polymer wheels, grooved for improved control

EC Motor with direct drive blades

EXTREME CUTTING

NEW

FS 240 Petrol Grass Trimmer

The STIHL FS 240 is a professional Grass Trimmer for all your heavy duty trimming needs.

It combines a rugged design with the versatility needed to attack extreme cutting situations. The easy-to-adjust bike handle provides comfort in use, and then swivels to simplify transport. This Grass Trimmer comes standard with our most popular professional cutting head, and can be utilised with brush knife and saw blade attachments (stop guard required). From freeway exits to low-lying ditches, the FS 240 can cut and clear day after day.

 Engine 37.7cc	 Power 1.7kW
 Line Feed Bump	 Weight 7.0kg

Features

- > Easy starting
- > Efficient 2-MIX engine
- > Lighter gear head, lubricated for life
- > Large 750ml tank
- > New ergonomically designed deflector

Availability: **January 2019**

How to order:

Order online through Global B2B from January 2019.

Part No: **4147 200 0321**

HEAVY DUTY & VERSATILE

NEW

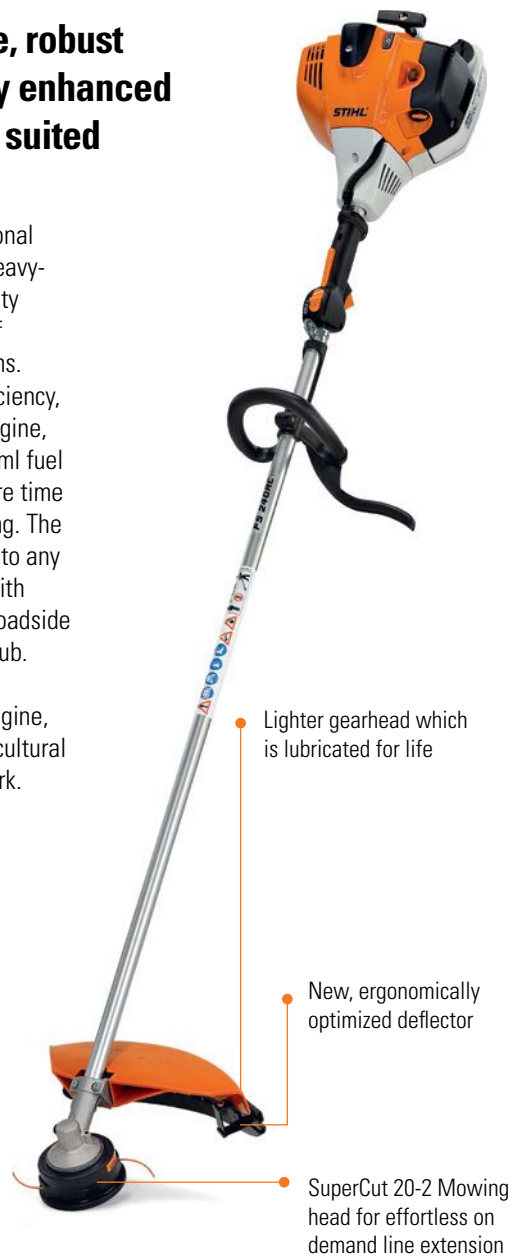

FS 240 R Petrol Grass Trimmer

The highly durable, robust and ergonomically enhanced FS 240 R is ideally suited for professionals.

The STIHL FS 240 R professional Grass Trimmer combines a heavy-duty design with the versatility needed to handle a variety of challenging clearing situations. Providing 20% more fuel efficiency, the low-exhaust-emission engine, combined with the large 750ml fuel tank, means you'll spend more time cutting and less time refueling. The FS 240 R is an ideal addition to any professional crew charged with cutting around lakes, along roadside drains and through heavy scrub. Powered by a low-emission, fuel-efficient STIHL 2-MIX engine, the FS 240 R is ideal for agricultural and horticultural mowing work.

 Engine 37.7cc	 Power 1.7kW
 Line Feed Auto	 Weight 6.6kg

Features

- > Easy starting
- > Efficient 2-MIX engine
- > Lighter gear head, lubricated for life
- > Large 750ml tank
- > New ergonomically designed deflector

Availability: **January 2019**

How to order:

Order online through Global B2B from January 2019.

Part No: **4147 200 0320**

FS 240 / FS240 R Petrol Grass Trimmer Benefits

Spark plug cap protects spark plug from knocks with captive screw

Stop switch unit always ready to start

- Starting function integrated into choke knob

Toolless handlebar adjustment

- 60g lighter head
 - Lighter gearhead
 - Lighter universal deflector

Locking pin held in position
Simplifies replacement of cutting attachments

Solid internal drive shaft

Large translucent tank (750ml) for longer operating time between refuelling. Toolless cap with easy to fill opening

Fuel primer for cold starts

Guard plate to reduce fuel tank damage

Integrated throttle function

- Mixture is controlled to guarantee reliable engine start
- Choke automatically jumps top run when throttle opened
- Fewer starting steps

New, ergonomically optimized deflector

Lighter gearhead which is lubricated for life

LIGHT BAR HEAVY WORK

NEW

MS 661 C-M ES LIGHT Bar

- 30% lighter 63cm Rollomatic ES LIGHT Bar
- Shifting centre of gravity towards body to noticeably reduce load on spine
- Replaceable bar nose
- Maintenance free nose closed bearings
- E-matic with angled oil hole

The big timber saw for the toughest jobs in forestry is now available to order with the STIHL ES LIGHT Bar.

Get the most out of the M-Tronic engine performance and 5.4 kW of power with 30% lighter bar (compared to the STIHL Rollomatic ES Bar). Adding greater maneuverability and reduced strain on the operator.

Engine	Power	Weight	Bar Length
91.1cc	5.4kW	7.4kg*	63cm/25"

Features

- > 2-MIX engine
- > HD2 air filter
- > Side chain adjustment
- > Pre-separation air filtration
- > 500ml fuel tank
- > 30% lighter bar
- > Tool free fluid caps
- > 3/8 Chain
- > Captive bar nuts

Availability: **NOW**
