WALKER

R21

Precision Steering & Handling: Less operator fatigue, zero turn machine that doesn't damage the grass

Balanced Design: Agility, manoeuvrability and slope mowing

Out front Cutting Deck: Excellent visibility and reach

Tilt-Up Deck: Easy servicing & maintenance

Better Trimming Capability: Cuts closer to obstacles, less line trimming

Low Centre of Gravity: Great on slopes

Floating Deck: Follows the contours of the ground independent to the tractor

The Model R is the perfect Walker Mower for residential properties. This belt driven mower makes operation smooth and quiet without compromising on the Walker Mower's distinctive advantages. The Model R is where quality and value come together creating the best lawn on the street.
